## DOMINION ORDERS IN COUNCIL.

[2105]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 3rd day of September, 1900.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL  
IN COUNCIL.

WHEREAS section 11 of the Regulations governing the granting of yearly licences and permits to cut timber on Dominion lands in Manitoba, the North-west Territories, and within twenty miles on either side of the Canadian Pacific Railway in the Province of British Columbia, established by the Order in Council of the 1st July, 1898, as amended by subsequent Orders in Council, provides that the dues on square timber and saw logs of poplar shall be \$2.00 per thousand feet B. M., that the dues on square timber and saw logs of pine, cedar, spruce, tamarack and other woods unenumerated shall be \$2.50 per thousand feet; and that the dues on square timber and saw logs of oak, elm, ash or maple shall be \$3.00 per thousand feet B. M.:

And whereas it has been found that the number of permits issued to cut square timber and saw logs upon the payment of dues at the above rates have become less each year, and as it is desirable in the public interest to encourage the establishment of small mills in outlying districts, with a view of securing to the settlers a fairly cheap supply of lumber,—

Therefore, His Excellency, by and with the advice of the Queen's Privy Council for Canada, is pleased to order that the dues on square timber and saw logs of any wood excepting oak shall be and the same are hereby reduced to \$1.50 per thousand feet B. M., the dues on oak to remain unchanged:

And whereas provision is made in the same section of the Regulations "that returns of board measure to be made by 'Scribner's log rule' if the timber is cut in Manitoba or the North-west Territories, and by the British Columbia log scale if it is cut within the Railway Belt in British Columbia":

And whereas it appears that very few of the persons who cut timber under permit, understand how to scale logs by "Scribner's log rule," and that the result is that very material errors sometimes occur,—

Therefore, His Excellency is pleased, by and with the advice of the Queen's Privy Council for Canada, to order that the section of the Regulations above quoted be rescinded, and that the following be substituted in its place:—

"Returns of board measure to be made by the British Columbia log scale if the timber is cut within the Railway Belt in British Columbia, but if the timber is cut in Manitoba or the North-west Territories returns are to be made of the quantity of lumber manufactured from the timber cut."
